

Golf Course Emergencies - What Do I Do?

If you ever experience any health emergencies on the golf course, please follow these 3 Steps:

1. Call 911 and give your exact location (Example: Fox Run, Hole #6, Green).
2. Notify the Golf Staff – Call the Golf Shop or Executive Starter Building (Phone number on the scorecard).
3. Stay where you are. EMS will be coming to your exact location.

Remember the **1, 2, 3 Approach** for any Golf Course Emergencies.
