

The Villages Custom Club Shop Demo Club Membership Program

As part of our commitment to providing you with the most up-to-date golfing equipment in the industry, we have established the **Golf Club Demo Program** to help members determine what their club needs are and assist the member's purchase of top quality golf clubs.

The program consists of a \$50 Membership fee (good for 90 days from the membership purchase date) and allows the member to sign out clubs for 3-days use. This fee will be applied towards the purchase of any NEW golf club(s) purchased during the membership period.

In lieu of the \$50 fee, individuals can also Demo clubs on a per-time basis as follows:

One Club	\$5.00 per check-out
Four or more Clubs	\$20.00 per check-out

The program is restricted to exclusive use by the individual named in the Membership.

The Program is not intended as a "rental" or "loaner" club alternative. Rentals are available at all 12 Villages Country Clubs. Abuse of this program may result in cancellation of the participant's membership and/or loss of any fees paid into the program.

Limited Demo Program Memberships are also provided by the Golf Academy for Club Fitting services, and certain Instruction programs. See a member of the Golf Academy Staff for more information.
