

You are invited to join The Villages Golf Handicap Committee!

The Villages Golf Handicap Committee consists of 26 full-time residents of The Villages, Florida. These individuals are dedicated to making the game of golf more enjoyable by enabling players of differing abilities to compete on an equitable basis.

For organizational purposes, a woman and man serve as club representatives. There is one for each of the 12 championship golf clubs in The Villages. Club representatives report to a region with one club representative serving as a Vice-Chair to facilitate that region's meetings.

A Chairperson, Regional Vice-Chairs, Compliance Officer, Secretary, and a non-voting Advisory Member of The Villages Golf and Country Club Administration sit on The Villages Golf Handicap Executive Committee. It is the Executive Committee which acts upon recommendations from club representatives through their Vice-Chair.
