THE ALL NEW GOLF CLUB SECURITY COVER

This theft deterrent secures golf clubs and bags to cart.

It's lightweight and easy to use. For added security to protect your golf clubs and bag, simply cover your clubs with the Security Cover and wrap the provided cable around the bracket on cart and through a handle on your golf bag, lock ends of cable and eyelet in cover with padlock.

(Padlock not included.)

As always, all Villagers receive a 10% discount on all regularly priced merchandise. Some exclusions apply.
